- Load and unload all vehicles on site and actively manage the yard and booking systems
- Manage relevant data for the Pasteuriser using the Egg base system to ensure robust traceability
- Document daily figures as expected by the business
- Separate all 2nd's (pre pack house) and prepare for issuing to the Pasteuriser
- Positively issue RM to the Pasteurising area

Cont.:

- Ensure the area is kept clean and tidy at **ALL** times
- Carry out Weekly/ Monthly stock checks of **ALL** RM on site
- Carry out daily safety checks on **ALL** MHE and racking equipment and document
- Actively communicate with all departments to ensure the smooth flow of the operation and minimal downtime/issues and issues **MUST** be reported to management in a timely fashion
- Assist the other departments as and when requested (egg collection, packing etc)

Key Objectives/Measurable:

- 100% Paperwork accuracy
- 100% Stock accuracy
- H&S
- Area Hygiene
- Pallet discrepancies
- Vehicle turnaround times
- System accuracy on traceability software

Knowledge/Experience:

- Good numeracy skills
- Good computer skills and knowledge of Excel
- High attention to detail
- Team player but can also work on own initiative
- Pro-Active and can do approach
- Reliable and flexible
- Forklift and warehousing experience
- Works well under pressure

Note: As a 7 day working operation we require employees to be flexible in their hours/days of work when requested by the business to support the operation. **This will always be notified as far ahead as possible but occasionally will be short notice.**
